Responded

8/10/2026, 10:55:39 AM

Dear Abrish,

From our Engineering Supervision and Contract Administration Office, Mr. Mohammed Usman has been assigned to handle the mentioned work.

However, if the Contractor deploys more than one team, we can assign an additional engineer accordingly, based on the number of teams and the Contractor's requirements.

For the time being, Mr. Mohammed Usman will be responsible for the work.

Best regards,
